

IRON HUB

2016 Sémillon

Iron Hub Winery is dedicated to crafting truly unique wines that are a reflection of the terroir.

The name Iron Hub reflects winemaker Tom Jones' tradition of desert sojourns to rejuvenate after each year. On one such journey he discovered an antique iron hub from a wagon wheel, half buried in the mountains of Northern Nevada. The Iron Hub name also reflects a welcoming place to gather with family and friends, a place that you will enjoy often.
